Ka 'Umeke Na'auao o Pai'ea - KSM Service Awards

At the beginning of each school year, KS has a tradition of recognizing staff anniversaries, 5, 10, 15, 20, 25, and 30 years of service. It's a KS practice to convene a committee to name the event, our celebration holds this name, Ka 'Umeke Na'auao o Pai'ea - Pai'ea's Calabash of Wisdom. The calabash represents our campus, Pai'ea represents Kamehameha, and the wisdom represents the wealth of knowledge and expertise that each member of our 'ohana contributes to our Maui Campus legacy.

This year we will recognize 36 staff with 475 total years of service. It's customary for staff to receive makana from many of their colleagues and we celebrate over lunch. If one of your kumu is being recognized this year, take a moment to send them an email to mahalo them for the specific way they touched you and made a difference in your life.
