EQUITY NO. 2048

ORDER APPOINTING TRUSTEE
SCREENING COMMITTEE RELATING
TO NOTICE OF ANTICIPATED
VACANCY FOR TRUSTEE ELLIOT
KAWAIHO'OLANA MILLS; EXHIBIT A

ORDER APPOINTING TRUSTEE SCREENING COMMITTEE RELATING TO NOTICE
OF ANTICIPATED VACANCY FOR TRUSTEE ELLIOT KAWAIHO'OLANA MILLS

Pursuant to the Notice of Anticipated Vacancy, filed on June 29, 2026 [Dkt. No. 5804], and the Order Approving Amended and Restated Procedure for Trustee Selection, filed on February 6, 2025 [Dkt. No. 5549] ("2025 Trustee Selection Process Order"), and upon consideration of the submissions collected by the Master, it is hereby ordered, adjudged, and decreed as follows:

1. The Court appoints the persons identified in Exhibit A to the Trustee Screening Committee.

2. The Court finds the persons identified in Exhibit A are individuals suitable and qualified for the Screening Committee, as set forth in the 2025 Trustee Selection Process Order. More specifically, the Court finds that the individuals each possess a commitment to the purpose and intent of Pauahi's Will and legacy, integrity, ethical conduct, moral character, and disinterested status necessary to be an independent and unconflicted Committee member, and demonstrate a longstanding history of leadership, competence, and probity. Further, each Committee member is familiar with and sensitive to, and has an understanding and appreciation for:
 - a. Pauahi's Will, legacy and her vision for the education and well-being of people of Native Hawaiian ancestry;
 - b. The history and role of the Trust Estate relative to the Native Hawaiian community and the community at large;
 - c. Kamehameha Schools strategic vision and mission; and
 - d. The foundation upon which Kamehameha Schools was founded.
3. The Court further finds that relative to the purpose and intent of Pauahi's Will, the individuals each possess experience and insight into the operation, management, and leadership of large organizations, such as a large private educational institution, large financial institutions, or large public charitable trusts or foundations.
4. The Trustee Screening Committee is hereby authorized and directed to proceed in accordance with the Special Masters' Report on the Trustees' Petition for Review of Trustee Selection Process and Trustee Terms, filed on June 10, 2024

[Dkt. No. 5458] ("2024 Special Masters' Report"), the 2025 Trustee Selection Process Order, and any supplemental orders of this Court in assisting this Court by identifying qualified individuals to succeed Trustee ELLIOT KAWAIHO'OLANA MILLS and selecting finalists for that position.

5. Reimbursement out of the Trust Estate of the Trustee Screening Committee's expenses of a consultant knowledgeable and experienced in hiring executive personnel and of other reasonable and necessary expenses.
6. Nothing herein shall be deemed or construed as modifying, amending, or changing in any respect the role and functions of the Trustee Screening Committee or the requirements applicable to that Committee as set forth in the prior orders of this Court, including but not necessarily limited to, the 2025 Trustee Selection Process Order and the 2024 Special Masters' Report.

DATED: Honolulu, Hawai'i, July 23, 2026.

SUBJECT: Kamehameha Schools Trustee Screening Committee Application for Consideration

Dear Judge Castagnetti,

I appreciate the opportunity to submit my application for consideration to be a part of the Trustee Screening Committee for the Kamehameha Schools for 2025. It has been a privilege to have been a member of the Committee since 2000 to have contributed to being a part of the change in the stewardship and leadership of the Princess's will. For me, the openness of the Trustee selection process and now the screening committee members is what I believe were the wishes of Princess Pauahi.

September 1957, my journey began as a 7th grade student at Kamehameha and my understanding of the Princess wish in codicil 13 of her will that schools be established for boy and girls to provide knowledge useful to become industrious men and women. Kamehameha provided a solid education to prepare me for college, military career a most importantly a guided me to developing a life based on Christian values and service to my community. An important takeaway as a I matured in life to become a part of the Kamehameha ohana that gives back and supports the native Hawaiian community. My involvement today as the Director/President of a Native Hawaiian Company/nonprofit has a focus to provide financial resources to improve the educational resources for our haumana. As a member of the Native Hawaiian Chamber of Commerce board and past president our focus is to provide native Hawaiian small business with the mana'o needed to be a financial success. I am a member of the Native Hawaiian Advisory Council for the Army in Hawaii. Our role is to educate share with Army families in Hawaii our Hawaiian culture and the importance of caring for the aina and each other.

The focus of the Strategic Plan – Schools – Communities and Global performance is in place and moving forward – IMUA!. Our campuses are thriving and haumana excelling in all areas, academically, athletically and culturally. What's important in the plan is the educational focus not only of our campuses but the community at large. The plan is a living active document making a difference. Communities are engaged and the stewardship of the Kamehameha lands is being managed ensuring environmental and historical issues are part of all decisions. The last area is global competitive competition. Kamehameha can say with confidence if has contributed to the success of many Alaka'i in business, medical, legal and the military nationally and globally.

Subject: Selection Board for Kamehameha Schools Trustee

Dear Judge Castagnetti,

It is an honor to be considered for service on the selection board tasked with identifying the next Bishop Estate Kamehameha Schools Trustee. I welcome the opportunity to contribute to this responsibility with a deep reverence for the legacy of Princess Bernice Pauahi Bishop and the enduring mission of Kamehameha Schools.

As Chairman and Founder of the Hawai'i Pacific Foundation (HPF), I am steadfast in my commitment to advancing the education, empowerment, and overall well-being of Native Hawaiians. These experiences have further solidified my belief in the power of visionary leadership rooted in cultural values—a principle that aligns closely with the foundational legacy of Ke Ali'i Pauahi.

In keeping with your request, I respectfully submit my perspectives and insights related to serving on this important selection board.

Pauahi's Will, Legacy, and Vision for the Education and Well-being of Native Hawaiians

Princess Bernice Pauahi Bishop's will is a testament to her unwavering dedication to uplifting the Hawaiian people through education. An example we followed as we formed HPF. She understood that her people's survival and prosperity required access to quality education rooted in cultural identity and excellence. Her foresight has ensured that generations of Native Hawaiians are empowered through the resources and opportunities provided by Kamehameha Schools, fostering leadership and a strong sense of identity.

As Chairman of the Hawai'i Pacific Foundation, I have firsthand experience advancing similar objectives. The Foundation is committed to strengthening Native Hawaiian communities by investing in education, leadership development, and cultural preservation. My work has reinforced the importance of preparing Native Hawaiians with the skills and values needed to thrive in today's world—just as Pauahi intended through her legacy. I hope to apply this experience in selecting a Trustee who will continue to honor and advance Pauahi's mission.

The History and Role of the Trust in the Native Hawaiian Community and Beyond

The Kamehameha Schools Trust is more than an educational institution; it is a steward of significant lands and resources dedicated to the well-being of the Hawaiian people. Historically, the Trust has played a critical role in providing quality education and advocating for cultural preservation, language revitalization, and economic opportunities for Native Hawaiians. Additionally, through its land management and community initiatives, the Trust contributes to the broader community by fostering responsible stewardship, sustainability, and economic

development in Hawai'i.

During my time at the Hawai'i Pacific Foundation, I have worked to uplift Native Hawaiian families and communities by identifying and supporting initiatives aligning with these priorities. I believe that selecting the right leaders—those with a deep sense of kuleana and an unwavering dedication to Pauahi's vision—is critical to ensuring the continued success of the Trust and its impact on the lāhui.

Kamehameha Schools' Strategic Vision and Mission

A clear and ambitious strategic vision guides Kamehameha Schools: to create a thriving lāhui through educational excellence, leadership development, and the perpetuation of Hawaiian culture and values. Its mission extends beyond the walls of its campuses, embracing a commitment to community partnerships, early childhood education, and lifelong learning opportunities that support Native Hawaiians at every stage of their educational journey. The Trust's strategic plan emphasizes innovation, equity, and sustainability, ensuring that Pauahi's legacy continues to evolve to meet the needs of today's and future generations.

As part of the selection board, I recognize the importance of choosing a Trustee who will champion this mission and ensure that Kamehameha Schools continues to serve as a beacon of opportunity and empowerment for Native Hawaiians. The next Trustee must not only uphold the institution's core values but also have the vision and leadership to adapt to an evolving educational and cultural landscape.

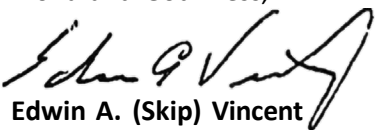

The Foundation Upon Which Kamehameha Schools Was Built

Kamehameha Schools was founded upon the values of servant leadership, kuleana, and aloha for the Hawaiian people—principles deeply embedded in Ke Ali'i Pauahi's vision. Established through her foresight and generosity, the Schools were built on the belief that education is the key to empowerment and self-determination. The Trust's vast land holdings provide both the financial sustainability and cultural resources necessary to uphold this mission. We must ensure Pauahi's gift remains protected and continues to serve its intended purpose for generations to come.

Similarly, my work with the Hawai'i Pacific Foundation is grounded in these same principles. We believe in the power of education and leadership to shape the future of our people, and we actively work to create opportunities that foster both personal and community growth. I bring both an understanding of Pauahi's legacy and a lived commitment to advancing the very values she held dear.

In serving on the selection board, I am committed to upholding the integrity of Pauahi's legacy and ensuring that the next Trustee embodies the knowledge, leadership, and deep sense of kuleana required to guide the Trust forward. Mahalo for your time and consideration. I welcome the opportunity to discuss my qualifications further.

Aloha and God Bless,

Edwin A. (Skip) Vincent

Subject: 2026 Trustee Screening Committee

Dear Judge Castagnetti,

Mahalo for the request to continue serving on the Trustee Screening Committee. I am pleased to accept and appreciate the opportunity to re-serve. I remain committed to the purpose and intent of Pauahi's Will and legacy.

My personal connection to Kamehameha Schools is deeply rooted in my family. I have been fortunate that my daughter, a May 2026 graduate, and my son, entering the 10th grade, have attended the Kea'au campus since kindergarten. Through their educational journey, I have witnessed firsthand the impact of Kamehameha Schools' mission—to fulfill Ke Ali'i Bernice Pauahi Bishop's will of creating educational opportunities in perpetuity to uplift people of Hawaiian ancestry. This mission is more than words to me; it is a responsibility that I wholeheartedly support and am deeply grateful for.

I have had the privilege of serving on four previous Trustee Screening Committees, resulting in the selection of four of the five current trustees. This experience has given me invaluable insight into the qualities and leadership attributes necessary for trustees to successfully guide Kamehameha Schools. My familiarity with the selection process, combined with my understanding of Pauahi's will and Kamehameha Schools' educational vision, uniquely positions me to contribute meaningfully to the committee's work.

Beyond my direct involvement with Kamehameha Schools, my leadership experience equips me with a broad perspective on governance and stewardship. As a leader at HPM, one of Hawai'i's top 50 largest organizations and among the largest private companies not based on O'ahu, I understand the importance of strategic oversight, long-term planning, and values-driven

leadership. HPM's 105-year history and legacy of being an employee-owned company since 1977 mirrors the ethos of Kamehameha Schools: a commitment to the well-being of our community, stewardship of resources, and a long-term vision that ensures continued success.

My community involvement further reinforces my ability to serve on the Trustee Screening Committee. I maintain a broad perspective on the needs of Hawai'i's families and the responsibility we have to ensure that Kamehameha Schools remains rooted in its Christian and Hawaiian values. I believe in the school's vision to see a thriving lāhui where students are not only prepared for postsecondary success but are also empowered to make meaningful contributions to their communities and careers. And hopefully, many graduates stay and/or return to Hawaii as our community could surely benefit from this leadership and contribution.

With my combined experience in leadership, governance, and my deep personal investment in Kamehameha Schools, I am eager to offer my time and expertise to this critical selection process. I would be honored to continue serving Kamehameha Schools in this capacity and help identify leaders who will uphold Pauahi's vision for generations to come.

I have enclosed my resume for your review and would welcome the opportunity to discuss my qualifications further. Please feel free to contact me at your convenience.

The Honorable Jeanette Castagnetti
Judge, District Court, First Circuit
State of Hawaii

c/o Ben Ancheta
Inkinen and Associates

Dear Judge Castagnetti,

I humbly request your favorable consideration for my appointment to the Trustee Selection Committee to address the anticipated vacancy of Elliot Mills. I have had the privilege of serving on the most recent Trustee Selection Committee and I believe I possess the requisite attributes essential for the conduct of a successful trustee search. While I am not a graduate of Kamehameha Schools nor claim any native Hawaiian ancestry, I believe that I am familiar with and am sensitive to the legacy and vision of Pauahi, as well as the mission and vision of Kamehameha Schools.

This selection process affects the lives of Native Hawaiians in Hawai'i and elsewhere, as well as all who make Hawai'i their home. In preparation for my previous participation in this process, I reread Broken Trust, revisited my collection of contemporary Hawaiian history and politics and remembered the lessons given me by my mentors, including Gladys Brandt. I read and reread the Princess's will and codicils as well as various orders and reports issued over the years. I consulted with those I respect who were familiar with the process. Rereading these documents over the past few weeks have renewed the tremendous feeling of respect and a tremendous feeling of responsibility which lies in this selection process.

Campaniano

Besides my service during the most recent trustee selection process, I have had the experience of serving on selection committees for both public and private university presidents in Hawai'i as well as for a private school headmaster. I have chaired search committees for senior leaders at a public university, executive directors for non profit organizations as well as for CEOs of private businesses in Hawai'i.

As an aside, I must say that the most recent Trustee Selection Committee was one of the best structured and well organized search committees in which I have participated. The diverse membership which included a mixture of Kamehameha graduates, native Hawaiian and others, did an extremely thorough review and selection. The conduct of the committee was exceptional, and I was honored to be part of that process.

My resume will show that I have a long history of leading organizations, as both a member of, and often chairing the organization's governing board and as the leader of the organization. These organizations, public, governmental, corporate and philanthropic range in size from very small in revenue or in number of employees to among the largest institutions in Hawai'i.

To be a leader or to serve on the governing board of any successful organization in Hawai'i requires not only possessing the necessary skills involved in leadership and governance but an understanding and passion for the Hawai'i's people, culture and history. I believe my record in leading organizations reflects the passion and integrity that is essential for leadership in Hawai'i.

Selecting the members of this committee is a daunting task, and I sincerely hope you can address the concerns raised by the many stakeholders and interested parties who have voiced their opinions concerning the composition of this committee and the overall process of selection. I do believe I can more than adequately fulfil the tasks asked of members of this committee, and I ask for your favorable consideration of my request.

Yours Very Truly,

Robin Campaniano

Aloha:

I am writing to submit my resume for your consideration as a potential member of the Kamehameha Schools Trustee Selection Committee. As a Native Hawaiian, a beneficiary of the trust, and someone committed to the well-being of our community, I would consider it an immense honor and privilege to serve in this capacity.

In my current professional role, I have the responsibility of overseeing the operations of Hawai'i's commercial port facilities as an appointee in Governor Green's cabinet. Beyond my professional work, I am grateful to serve as the president of the Association of Hawaiian Civic Clubs—a century-old movement rooted in community-based advocacy for Native Hawaiians. These experiences have reinforced my commitment to public service and to working collaboratively for the betterment of our lāhui.

While I bring experience in leadership and governance, I remain mindful that these qualifications are part of a broader kuleana that must always center around Pauahi's vision, purpose of her trust, and the needs of our community through education.

I understand the weight of responsibility entrusted to the members of this selection committee and that it calls for both professional experience and cultural grounding. I humbly offer my background in public administration, non-profit leadership, and community engagement, along with a sincere willingness to serve and work together with aloha.

Mahalo nui loa for your consideration of my resume and interest.

Dear Judge Castagnetti,

I have been asked to once again serve on the Trustee Selection Committee to fill Trustee Elliot Mills' vacancy. I have served on this committee to fill the vacancies of Trustee Lance Wilhelm, and Trustee Robert Nobriga. Due to the thorough orientation process of each selection committee, I am familiar with the history and the role of the Trustee, Kamehameha School's mission and strategic vision.

Your honor, I believe I am qualified to contribute positively to this process. I retired 3.5 years ago as Vice Chairman and Chief Commercial Officer of Bank of Hawaii. I was a member of the bank's Managing Committee and we were responsible for the strategic and operating management of a \$20B organization of 2000+ employees. I also served for 18 years on the board of the YMCA of Honolulu including 4 years as Board Chair. I recently completed a term as Finance Committee Chair of the Waialae Country Club. I am currently Treasurer of the club and serve on the Board and Executive Committees.

I am pleased to be asked to again serve our community by participating in this Trustee selection process and I hope you will find my experience suitable for this important endeavor.

Sincerely,
